S.O. 1600.—In pursuance of section 17 of the Industrial Disputes Act, 1947, (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Delhi, in the industrial dispute between the employers in relation to the United Commercial Bank Limited, New Delhi and their workmen.

BEFORE THE CENTRAL GOVERNMENT, INDUSTRIAL TRIBUNAL: DELHI.

PRESENT:

Shri E. Krishna Murti, Central Government, Industrial Tribunal.

New Delhi, the 9th June, 1961.

I. D. No. 207, OF 1960.

BETWEEN

The employers in relation to the United Commercial Bank Ltd., New Delhi.

AND

Their workmen,

Shri R. V. Govindan and Shri D. R. Monga for the management.

Shri V. N. Sekhri for the workmen.

AWARD.

By G. O. No. [10(104)/60-LRIL] dated the 25th November, 1960, the industrial dispute, between the employers in relation to the United Commercial Bank Ltd., New Delhi, and their workmen, has been referred to this Tribunal for adjudication under Sections 10(1)(d) and 12(5) of the Industrial Disputes Act, 1947.

2. The term of reference is as follows:—

Whether or not Sarvashri Bihari Lal, Durga Dass, Ganga Sahai, Kanchi and Ram Swaroop, sweepers are in the whole time employment of the United Commercial Bank Ltd., Parliament Street, New Delhi.

3. It is alleged on behalf of the workmen, that the five workmen in question were employed by the United Commercial Bank Limited on different dates shown against their names, that they were getting Rs. 60 per month, except that Shri Bihari Lal was getting Rs. 65, that they are entitled to recover much more according to the Sastry-Awards, as full time employees of the Bank, that it is not true, that they were employees of contractor Shri Bihari Lal, or that they were working under him, that the Bank paid bonus to these workmen, that they were also supplied with uniforms by the Bank, and that the five workmen in question are full time employees of the Bank, and that they are entitled to recover all the benefits flowing from such status.

4. The contention on behalf of the Bank is, that Shri Bihari Lal was engaged by the Bank on 17th September, 1958, as a part-time sweeper, that the other four workmen were brought by Shri Bihari Lal, to assist him in his work as and when the work increased, that they were part-time workers to assist Shri Bihari Lal, that Shri Bihari Lal was paid in a lump sum, that he used to distribute the amount received from the Bank, that all the five workmen had worked only part-time, and for not more than 3½ hours in a day, that it is not true, that any payment was made to any of these persons by way of salary and allowances, as alleged, that the Bank was paying the part-time sweeper's more than the emoluments prescribed for such workmen in the Sastry Award, that it is not true, that any of these five person is a full-time employee of the Bank, that uniforms were given only for the sake of tidiness, that bonus was paid to the workmen on uniform basis, and that the workmen are not entitled to any relief.

5. The following issues were framed:—

- (1) Are the persons in question full-time employees of the Bank?
- (2) Are the said persons contractor's men, and not workmen of the Bank?
- (3) Is Bihari Lal a contractor?
- (4) Whether or not Sarvashri Bihari Lal, Durga Dass, Ganga Sahai, Kanchi and Ram Swaroop, sweepers are in the whole-time employment of the United Commercial Bank Ltd., Parliament Street, New Delhi?
- (5) To what relief are the said persons entitled?

**Issues No. 2 and 3.**

6. This is a dispute between the employers in relation to the United Commercial Bank Limited, New Delhi, and their workmen.

7. The order of reference raises the question, whether Sarvashri Bihari Lal, Durga Das, Ganga Sahai, Kanchi and Ram Swaroop, sweepers, are in the whole-time employment of the United Commercial Bank Limited, New Delhi. The workmen's case is, that they are in the whole-time employment of the United Commercial Bank, and that they are full-time sweepers of the Bank, and are whole-time members of the subordinate staff. In the written statement, filed on behalf of the Bank, it is alleged in paragraph 2, that Shri Bihari Lal was engaged by the Bank through Care-taker, Shri Gobind Ram Rongta as a part-time sweeper, that Sarvashri Durga Dass, Ganga Sahai, Kanchi and Ram Swaroop were brought by Shri Bihari Lal to assist him in his work, as and when the work increased, that they were engaged as part-time workers to assist Shri Bihari Lal, and that Shri Bihari Lal had an understanding with the Bank, and had also taken the responsibility of cleaning the outside and inside area in the Bank, the main banking hall, staircase, cleaning and washing of sanitary units in the Bank premises, basement, ground floor, and first floor. Shri Bihari Lal was paid in a lumpsum and he used to distribute the amount received from the Bank among the others. He used to give receipt to the Bank for the amount received by him for the work done as mentioned above. This he did till January, 1960. Afterwards there was a complaint by the sweepers, and the Bank in order to see, that its work did not suffer, started paying each of the sweepers as per salary-sheets through the Care-taker.

8. In this connection it may be mentioned, that a letter Ext. M/98 dated 12th January 1960 was sent on behalf of the Delhi State Bank Employees' Association to the United Commercial Bank Ltd., Parliament Street, New Delhi, on behalf of Shri Ram Swaroop, one of the sweepers. It was asserted therein, that Shri Ram Swaroop had been working for the Bank since 20th February 1959, that he was being paid only Rs. 60/- per month, and not the minimum emoluments payable according to the Bank Award, that he had not been confirmed, that he should be treated as a confirmed hand, and that he should be admitted to all the benefits under the Bank Award, and paid the difference of the amounts due to him under the several heads, with retrospective effect by the Bank. It is admitted, that similar letters were sent on behalf of the other workmen also. Ext. M/71 dated 1st February 1960 is a copy of the reply of the Bank, acknowledging receipt of the several letters dated 12th January 1960 on behalf of the five workmen, referred to. The reply was given, that their contention was not tenable. In Ext. M/66 dated 4th February 1960 the Manager wrote to the Conciliation Officer, Government of India, that the five men mentioned in the Association's letter were part-time Sweepers, and that the allegations made in the letter of the Delhi State Bank Employees' Association were absolutely incorrect. The workmen have placed reliance upon a letter Ext. W/3, addressed to the Conciliation Officer (Central) by the Labour Inspector (Central). There is mention therein of the fact, that the Labour Inspector had contacted the Accountant of the Bank who expressed his inability to give any information, and directed him to go to Shri Gobind Ram Rongta, the Care-taker of the building, that the Labour Inspector discussed the matter with Shri Rongta, and noted down his statement, that Shri Rongta refused to sign the statement, and that in the said statement the Care-taker first contended, that the employees were on daily wages, that then he changed his ground, and stated, that they were employed under a contractor, and that one worker every month was paid the whole amount due to the workers, and that he changed his ground again, and stated, that the sweepers were part-time employees. There is further reference therein to the fact, that the attitude of the authorities of the Bank was very unhelpful. What is contended before me on behalf of the workmen is, that the stand taken by the Bank then was, that those workmen were not employees of the Bank at all, that they were independent contractors, that Shri Bihari Lal was a contractor, and that the other workmen were working to assist him. I have already referred to the allegations in the written statement of the Bank, that Shri Bihari Lal was engaged by the Bank through the Care-taker, Shri Gobind Ram Rongta, and that the others were brought by Shri Bihari Lal to assist him as and when the work increased, and that Shri Bihari Lal had an understanding with the Bank. Exts. M/2-9 and 11 have been produced as the receipts passed by Shri Bihari Lal, Jamadar. They relate to the months between April, 1959, and January, 1960. It is recited therein, that Shri Bihari Lal, Jamadar, had received from the Manager, through Shri G. R. Rongta, the Care-taker, a sum of Rs. 305/- for doing cleaning work, as set out

therein, and that these charges included the labour required during the several months from April to January, 1960.

9. The theory, that the five workmen now in question are not at all employees of the Bank in any manner whatsoever, that they are contractor's men, that Shri Bihari Lal was a contractor, with an understanding with the Bank, and that the four other persons were employed to assist Shri Bihari Lal as and when the work increased, is untenable, and has been merely put-forward to defeat the workmen's case. It is clear from the evidence, that some of the workmen had been employed even from 1958. It is common ground, that the dates of appointment of the several workmen are as hereunder:—

1. Shri Bihari Lal	..	17-9-1958
2. Shri Durga Dass	..	9-12-1958
3. Shri Gango Sabai	..	25-12-1958
4. Shri Kanchi	..	4-1-1959
5. Shri Ram Swaroop	..	20-2-1959

These dates are admitted in the management's written statement. Ext. M/1 is dated 26th March 1959, and purports to be signed by Shri Durga Dass, Jamadar. Ext. M/10 is also signed by Shri Durga Dass, Sweeper, and is dated 16th December 1959. The language employed in these is practically the same as is employed in the other receipts, referred to above. It is not pretended, that Shri Durga Dass was a contractor, with the Bank, and that he employed the other four workmen to assist him as and when the work increased. The amount of Rs. 305/- was paid through the Care-taker, Shri Rongta, to one of these persons, only as a matter of convenience. This was possibly done to eliminate the necessity of obtaining five receipts from the five workmen. It is in evidence, that Shri Bihari Lal was getting extra Rs. 5/-. The amount of Rs. 305/- was drawn from the Bank. Exts. M/115, 116 and 117, are some of the vouchers, showing the debit of the amount of Rs. 305/-. The amount was debited towards the Head Office account. What is mentioned in Ext. M/115 dated 26th March 1959 is as follows:—

"Head Office.

To amount paid as cleaning and sweeping labour charges for March 1959 of Parliament St. Bldg. to Mr. G. R. Rongta, Caretaker"

In Ext M/116 it is stated as follows:—

"Head Office.

To amount of sweeper of UCO Bank Bldg. staff paid for the month of April, 1959".

Exts. M/59-65 are further vouchers in respect of the amount of Rs. 305 for the months from June to December, 1959. The entry therein is as follows:—

"Head Office.

To amount of labour charges paid a/c. of UCO. Bank Building staff."

Apparently, the expenses incurred for cleaning and sweeping the premises of the Bank building in Parliament Street was being debited to Head Office account. The amount was being paid to Shri Rongta, the Care-taker, and he was distributing the amount to the workmen engaged in sweeping the premises. The fact, that only one receipt was issued by Shri Bihari Lal does not establish, that he was a contractor, and that the other workmen were employed under him, and that they were not employees of the Bank.

10. In this connection the evidence of Shri Rongta may be referred to. He says, that the five workmen in question were only labourers, and that they were not employees of the Bank. Shri Bihari Lal and other four persons were engaged by him as labourers under Shri Ranade. He further poses, that there used to be hundreds of labourers, and that they used to come and go, and they changed from time to time. The five sweepers in question were being paid as labourers. He paid to the five labourers separately, and obtained receipts from them. He gave labour charges. It may be re-called, that in the debit voucher, the word "Labour charges" is mentioned. All this evidence, meant to prove, that the five workmen in question were mere labourers, and that they were not employees of the Bank in any manner whatsoever, and that they were only working in pursuance of a contract, is untrue, and has been given with a view to help the Bank. On the other hand, MWI has been obliged to admit, that Shri Ranade appointed all these five men to do part-time work at the Bank. Shri Bihari Lal received money on behalf of himself, and the other four, and the amount paid to them Rs. 305 was for all of them for doing part-time work. MWI also admits, that the names of these five persons appear in the pay-sheets of the Bank, and I shall refer to them presently. Moreover no contract with Shri Bihari Lal is forthcoming. On the contrary, Shri Bihari Lal has denied, that he was a contractor, or that the five workmen were working under him as his men. Shri Bihari Lal

as WW1 deposes, that he is in the Bank's service from 17th September, 1958, and that he was appointed by Shri Gobind Ram, the Care-taker. He is not a contractor. There is no contract. When he joined, there were already other sweepers, namely, Sarvashri Prem, Gulab, and Sripal. They were getting Rs. 65 per month. They were removed and new men were appointed in their place. The four other sweepers now in question were appointed by Shri Gobind Ram. He was drawing the money from the Bank, and was distributing it amongst them all. Bihari Lal denies, that he was receiving Rs. 305. When his attention is drawn to Exts. M/2-9, and 11, he states, that they bear his signature, but that he is illiterate. He further states, that these receipts were not explained, or read-over to him. He never received Rs. 305, and distributed it to others. He had been getting Rs. 65. He does not know what is contained in the receipt. The other workmen have all been examined, and they have also sworn, that they were employed by the Bank, and that they are not contractor's men. They also denied, that Shri Bihari Lal was a contractor. It is perfectly obvious, that the suggestion, that Shri Bihari Lal was a contractor of the Bank, and that the four men were appointed to assist him in his work, is untrue, and must be rejected. There is no satisfactory proof in support of this contention on behalf of the Bank.

11. In fact having realised that such a theory could not be sustained, the Bank have alleged in the written statement in paragraph 4 as follows:—

“But the bank does not press that the part-time sweepers are not workmen under the Sastry Award, but they being part-time workers do not come under section 495 of the Sastry Award by which they are eligible for automatic confirmation”.

This means, that the five persons in question are workmen within the meaning of the Industrial Disputes Act, and therefore, employees of the Bank, and not merely of a contractor. The further question, whether they are part-time employees or whole-time employees is a different matter.

12. Again, the evidence of Shri Gobind Ram Rongta, MWI, is important. According to his evidence, he is Care-taker of the United Commercial Bank since December, 1958. The building in Parliament Street was completed in January, 1959. The Bank shifted there in January, 1959. It started working there in February, 1959. No business was conducted by the Bank till 1st February, 1959. Shri Bihari Lal and the other four persons were engaged by him. Shri Ranade appointed all these five men to do part-time work at the Bank. It is explained in the evidence of Shri Rongta, that Shri Ranade was the Engineer Incharge of the construction. MWI, deposes, that he received the amount of Rs. 305 from the Bank, and that this amount was paid to all the five for doing part-time work. He further deposes, that those five workmen were part-time sweepers. In face of the evidence, it is difficult to up-hold the theory, that there was a contract with Shri Bihari Lal, and the other four workmen were contractor's men, and were not in any manner the workmen of the Bank at all.

13. However, attention is drawn to Ext. M/23, which purports to be a complaint by Shri Ganga Sahai against Shri Bihari Lal. What is stated therein is, that Shri Bihari Lal was teasing him much, and was quarrelling and was abusing him and that action should be taken against him. The evidence of Shri Rongta is, that in February, 1960, there was an application from Sarvashri Ganga Sahai, Kanchi, Ram Swaroop and Durga Dass to the effect that Shri Bihari Lal was not giving them money, and that there was a quarrel, and that thereupon he started making payments to them direct. Ext. M/24 is the sheet, showing payments to these persons individually from February, 1960. Ext. M/25 contains the whole file relating to payments. Prior to January, 1960, the names of these persons do not appear in the pay-sheets. Their names appear in the later pay-sheets. So far as Ext. M/23 is concerned, it may be, that the four workmen gave this complaint, but this has been taken advantage of to explain the later payments. What is important to note is, that in Ext M/23 it is written, that the workmen had been working under the control of the Manager for the previous one year, and had been performing their duties as Jamadars. This does not establish, that the five workmen in question were not workmen of the Bank, but were working under a contract with Shri Bihari Lal.

14. Taking all circumstances into consideration, I find, that Shri Bihari Lal was not a contractor of the Bank, that he was not an independent contractor, that the other four workmen were not his employees, and were not engaged by him, that all the five workmen are not mere labourers, and that on the contrary, all the five employees have been and are employees of the Bank from the respective dates of appointment, as set out above, and that they are all workmen of the Bank since that date.

*Issues No. 1 and 4.*

15. The question next is, whether these five individual workmen are part-time workmen of the Bank, or whole-time employees of the Bank.

16. A number of documents have been produced on behalf of the Bank in support of their contention. I have already referred to Exts. M/1—11, the receipts for the amount of Rs. 305, and the corresponding debit vouchers. These do not establish, that the workmen in question are only part-time sweepers. They show, that an amount of Rs. 305 was debited against the Head Office account for purposes of payment to sweepers.

17. Nextly, Ext. M/24 has been produced as a salary-sheet, showing the payment of monthly salary of the building staff for the month of December, 1960. It is explained, that the expense for the maintenance of the building is debited to the account of the Head Office of the Bank at Calcutta. Exts. M/26—45, are the debit vouchers in this connection. Exts. M/57, and 58, are the salary-sheets for the months of January, and February, 1960. It is pointed out, that in these the names of the five workmen are found, and they are described as part-time sweepers. It is true, that these salary-sheets purport to contain the signatures of the five individuals in question. No importance can be attached their signatures. They are illiterate persons, and the fact, that they have signed against their names, does not mean, that they accepted the fact, that their status was that of part-time sweepers as described in the salary-sheets. These do not establish, that they are part-time workmen of the Bank. The same remarks apply to the further salary-sheets, marked as Exts. M/25E, to M/25H. It may be noticed in this connection, that in the salary-sheets, prior to December, 1960, the names of these persons are not found at all, and they are not described as part-time sweepers. Exts. M/99-109 are the salary-sheets for the months from March, 1959, to December 1959, showing the salaries paid to the members of the building staff. Exts. M/74-97 have been produced as the receipts passed by several members of the building staff in token of payment of salary to them. It is curious, that the names of these five persons are not mentioned at all in these documents, and they are not described as part-time sweepers. There is considerable force in the contention on behalf of the workmen, that they were described as part-time sweepers for the first time in the salary-sheets from December, onwards because a demand was put-forward on behalf of the workmen for all the benefits due to him under the Sastry Award, as full-time servants. Ext. M/98, already referred to, is dated 12th January, 1960. The above documents, on which considerable reliance has been placed on behalf of the Bank, do not, in my opinion, establish the contention on behalf of the Bank, that the five workmen in question were only part-time servants, and not full-time employees of the Bank.

18. Nextly, reliance has been placed upon certain statements given by some officials of the Bank. Ext. M/46, purports to be a statement of one Shri N. Bhattacharjee, who is Superintendent of Branches, and his statement is to the effect, that Shri Ram Swaroop was never appointed by him in the Bank's service, and that, for doing service at his house, he was being paid Rs. 10 per month. Exts. M/47-54, purport to be other statements by other officials of the Bank, and they are to the effect, that all the sweepers are working in the United Commercial Bank from 8-30 A.M. to 11-30 A.M. No weight can be attached to these documents. They have not been properly proved, and the statements contained in them have not been tested by cross-examination. I do not attach any weight to these statements.

19. Nextly, reference has been made to Ext. M/55, which purports to contain payment of overtime wages on 9th, 10th, and 12th December, 1960. The evidence of Shri Rongta is, that Ext. M/55, shows payment of extra wages, when they were made to do extra work in connection with a party at the Bank premises. The words "at the time of party—12th December, 1960" are written in a different ink. The figure "12:50" is also in a different ink. It has not been shown, how the amount was calculated at Rs. 2 per day for three days. True, these purport to be executed by the workmen in question in proof of payment. But the case of the workmen is, that they were paid for overtime work done after 5-30. The evidence of Shri Ganga Sahal is, that he and others worked overtime on some occasions from 5 to 9 P.M., or 7 to 9 P.M. This was when there were parties at the Bank premises. When his attention is drawn to Ext. M/55, he says, that it is not signed by him. He never worked overtime from 12 to 4 P.M. on 9th, 10th, and 12th December. He worked overtime on two days from 5 P.M. to 9 P.M., and on the third day from 7 to 11 P.M. The other four persons also worked overtime along with him. There is considerable suspicion attaching to Ext. M/55, and I am not prepared to give any weight to it. On the contrary, it

is improbable, that any party could have been held in the Bank premises from 12 to 4 P.M. the working hours of the Bank. It is more likely, that any party, that was held, was after 5 P.M., and it is more likely, that the workmen did work, if a party did take-place, only after 5 P.M. upto 9 P.M. No reliance can be placed on Ext. M/55, as proving the Bank's contention. On the other hand, it is clearly proved, that the workmen were doing overtime only after their working regular hours, i.e. only 5 or 5-30 P.M.

20. Nextly oral evidence has been led on behalf of the Bank, to show that the concerned workmen are only part-time employees of the Bank. MW1 Shri Rongta has deposed, that they are only part-time workmen, and that they work only from 8 A.M. to 11-30 A.M., as part-time sweepers. On the other side, there is evidence on behalf of the workmen, that they are full-time sweepers, and that they are engaged in doing sweeping, and cleaning work in the premises of the Bank from 7 A.M., till about 5 or 5-30 P.M. Among the workmen, WW1, 2, 3, and W9, have sworn, that they have all been doing work from 7 A.M. to about 5 or 5-30 P.M. every day. Their evidence receives support from other witnesses, examined on their behalf. It is in evidence, that there are tenants occupying different portions of the building. WW4 is Shri Ramphal, who says that he is an employee of the Kinoshita Company, which is occupying a portion of the United Commercial Bank Building as a tenant. He deposes, that the other tenants in the building are M/s. Standard Vacuum, Birla Bros., Dodsall, Assam Oil Company, etc. Sarvashri Bihari Lal, Ganga Sahai, Kanchi, Durga and Ram Swaroop are not sweepers of only the portion of the building occupied by the Bank. The terrace, the balconies and the common staircases are swept by these bank sweepers. They work from morning, and they go-away in the evening. He has been seeing them sweeping the premises every day in the morning at 7-30 A.M. and also in the evening at 5-30 P.M., when he leaves. He cannot say, what all these sweepers do between 10 A.M. and 5 P.M., but he sees them in the premises of the Bank between those hours. WW5 is Shri Kalicharan, who is a sweeper in the All India Radio Station from the last about 14 years. The All India Radio Station building is about 4 or 5 yards from the United Commercial Bank building. He has deposed, that all the five sweepers in question work at the premises of the Bank from 7 A.M. to 5-30 P.M. These five sweepers will be sweeping the compound, the premises of the Bank, and also the basement and the staircases. He goes to the Bank now and then, and he has gone there at all hours. He used to see the five sweepers cleaning the staircases, windows, doors, verandas, compound, and basement at different hours of the day. Staircases and Balconies are in front of his office, and he has seen them working at all hours of the day between 7 A.M. and 5-30 P.M. He works in the area in the compound of the All India Radio. WW6, Shri Gurdyal is another sweeper in the All India Radio. The All India Radio Station Office is separated only by a passage from the United Commercial Bank. He comes for duty at 10 A.M., and goes at 6 P.M. He has seen the five sweepers working at the Bank premises during those hours, though he cannot name all these sweepers. He and they generally leave the premises and the building at the same time. He denies, that there is any wall in between the two buildings. WW7 is Shri Chandgiran, who is another sweeper in the All India Radio from the last 10 or 12 years. There is only a distance of 10 or 15 feet between the Akashvani building and United Commercial Bank building. He meets the sweepers of the United Commercial Bank quite often, and he has seen them working at the Bank premises from 7 to 6 P.M. He knows about this, because his duty is staggered. He works from 7 A.M. to 11 A.M., and again from 3 to 6-30 P.M. Because he lives at Palam, he stays in the premises of the Bank during the interval, when there is no work for him. He sees the five sweepers working at the Bank between 11 and 5-30, or 6 P.M. He has seen these five sweepers working at the Bank, cleaning doors, windows, staircases, and compound of the Bank. This witness's evidence further shows, that the United Commercial Bank building has 5 or 6 storeys. WW10 is Shri Chaman Lal Bharadwaj, who is stenographer in the Punjab National Bank. He is the President of the State Bank Employees' Association. He is working in the Punjab National Bank Head Office building, and his department looks-after the sweeping of the basement, and first and second and fourth floors of the building. There are in all 12 whole-time employees for this purpose. His Bank building is smaller in area than the United Commercial Bank building. He has gone to the United Commercial Bank building quite often, and he has seen the five persons now under reference, working there during the whole day. He leaves his office at 5-30 P.M., and he sees the five sweepers now in question leaving their work at about the same time every working day. Thus we have in addition to the evidence of the sweepers themselves, the evidence of other independent witnesses, which proves, that the five sweepers now in question are working at the United Commercial Bank building from about 7 A.M. till about 5 or 5-30 P.M., ordinarily

every working day. I see no sufficient grounds for disbelieving this evidence. All these witnesses gave evidence in a straight-forward manner, and I am impressed with the truth of the same.

21. Even as a matter of probability, it is improbable, that these five workmen could only be part-time sweepers working from 8 to 11-30 A.M. or from 9 A.M. to 12 NOON, as suggested on behalf of the Bank. It is true, that the evidence discloses, that certain portions of the Bank are occupied by several tenants, and that these tenants have their own sweepers. This does not however exclude the inference, that the five sweepers have been employed as and working as whole-time servants, of the Bank, because the workmen in question have to clean the grounds, the staircases, balconies, basement, windows, doors, terraces, etc., as is established by the evidence. Even if we have reference to Ext. M/1 and other receipts, the amount of Rs. 305 is said to be paid for the work of (i) cleaning of outside and inside areas in the United Commercial Bank, Parliament Street building, (ii) sweeping and cleaning the staircases, (iii) cleaning and washing all sanitary units in the Bank premises, and the basement, ground, and first and 4th floors. The evidence of Shri Ganga Sahai is, that there are also 7 man-holes to be cleaned, and that he and others clean them. When, according to the evidence of Shri Bharadwaj, there are 12 sweepers in the Punjab National Bank which is a much smaller building, it is hardly possible to hold, that these five sweepers have been doing work only as part-time sweepers for a period of about 3 hours. I am satisfied from the evidence on behalf of the workmen, which I accept as true, that the five workmen in question have been working as full-time sweepers at the Bank building, and have been performing cleaning and sweeping duties from 7 A.M. to about 5-30 P.M. It is not possible to hold, that these workmen are only part-time sweepers, as alleged on behalf of the Bank.

22. Considering the entire evidence as a whole, I am of opinion, that the case of the Bank, that the five workmen in question are only part-time sweepers, and that they have been working only from 8 to 11-30 or 12 NOON cannot be believed. On the other hand, the evidence establishes clearly, and beyond doubt, that they are whole-time employees of the Bank, and that they have been working ever since the date of their appointment as such whole-time servants, and from 7 A.M. to 5 or 5-30 P.M. The above conclusion is also strengthened, if we refer to the other circumstances established in the case. There are no appointment orders forth-coming to show, that the five workmen were appointed only part-time sweepers. If in fact they were not full-time sweepers, it is improbable, that they would not have been given appointment letters, expressly appointing them only as part-time servants. Again, these workmen were given bonus as has been admitted on behalf of the management. Ext. M/25 contains the notifications regarding bonus to staff dated 19th January, 1959 and 19th January, 1960. The contention on behalf of the workmen is, that they were given bonus according to their basic salary. It is also clear from the evidence, that those five workmen have been supplied with uniforms. The contention on behalf of the Bank, that they were given uniforms in order to enable them to have a tidy appearance and not because they were full time employees, is not entitled to weight. I find on these issues, that the five workmen in question are full-time employees of the Bank ever since their respective dates of appointment as given in paragraph 9, and that they are not part-time sweepers as contended on behalf of the Bank. They are entitled to recover the difference in emoluments, and other benefits under the Sastry-Award due to them, ever since that date, as full-time employees of the Bank.

#### Issue No. 5.

23. In the result, an award is passed as follows:—

(i) The five workmen in question, namely, Sarvashri Bihari Lal, Durga Dass, Ganga Sahai, Kanchi, and Ram Swaroop, are the full-time employees of the United Commercial Bank Limited, Parliament Street, New Delhi, and they have been in the full-time employment of the said Bank ever since the date of their respective appointments, as set out in paragraph 9.

(ii) No order as to costs.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL: DELHI  
PRESENT:

Shri E. Krishna Murti,  
Central Government Industrial Tribunal, Delhi.  
The 13th June, 1961.

I.D. No. 227 of 1960

BETWEEN

The employers in relation to the Palana Colliery.

AND

Their workmen.

Dr. Anand Parkash for the management.

None on behalf of the workmen.

#### AWARD

By G.O. No. [2/148/60-LRII] dated the 7th December, 1960, the industrial dispute, between the employers in relation to the Palana Colliery and their workmen, has been referred to this Tribunal for adjudication under Section 10(1)(d) and 12(5) of the Industrial Disputes Act, 1947.

2. The term of reference is as follows:—

Whether the termination of employment, with effect from 1st September, 1958 by the management of Palana Colliery of Shri Abhey Nath, ex-bonus clerk, was justified, and if not, to what relief he is entitled?

3. It is alleged in the statement of claim, that the services of Shri Abhey Nath, a workman of the Colliery, were terminated by the management on 1st September 1958, that the termination of service is not bona fide, that his services were terminated without holding any enquiry, that the action of the management is against the Standing Orders, that the workman was asked to do a particular job, which was not part of his duty, that refusal to do such a job does not amount to insubordination, that the action was taken by the Mines Manager on account of personal prejudice, and that the workman should be directed to be re-instated in service.

4. The contention on behalf of the management is, that the action taken by the employer has been approved by the order of the Tribunal under Section 33(2) of the Industrial Disputes Act, that, in view of the approval of the action of the management, no dispute survives, that, in any case, the termination of service of the workman is bona fide, that action was taken by the management in accordance with Standing Orders, and that the workman is not entitled to any relief.

5. The following issues were framed:—

- (1) Whether no dispute survives, as contended on behalf of the management?
- (2) Whether Shri Abhey Nath was dismissed from service, or whether his services were only terminated?
- (3) Whether the termination of service of the workman is wrongful, as contended by the workman?
- (4) Whether such termination is lawful and justified, as contended on behalf of the management?
- (5) Whether Shri Abhey Nath is entitled to re-instatement, as claimed?
- (6) To what relief, if any, is the workman entitled?

## Issues No. 1—6

6. This is a dispute between the employers in relation to the Palana Colliery and their workmen.

7. A telegram Ext. W/1, dated 4th June 1961 was received from the President, Palana Colliery Mazdoor Union, Bikaner, and the same is as follows:—

"Reference I.D. 227. Application for withdrawal of case submitted today by post."

This was followed up by the application, Ext. W/2, wherein it was mentioned, that the workman concerned in the above dispute had been employed on a permanent post in the State Bank of Jaipur since July, 1960, that he had been confirmed in his post, that he was no longer interested in the case, that therefore, the Union was unable to pursue this case, and had decided to withdraw the same, and that the Union might be permitted to withdraw this dispute.

8. Thus Exts. W/1 and 2 establish, that neither the workman nor the Union is interested any further in this dispute, and the Union has withdrawn the said dispute. In view of the withdrawal of the dispute, the above issues do not arise for determination, and the workman, Shri Abhay Nath is not entitled to any relief in this proceeding.

9. In the result, an award is passed, that this dispute has been withdrawn by the Union, that the claim is not pressed, and is withdrawn, and that Shri Abhay Nath is not entitled to any relief. No order as to costs.
